Dear: Clerk of Court.

I Jermaine Dore is seeking more time with respect to my 2255 post trial motion. My reason i am seeking the necessary extension it because i do not have the necessary needed documents to guide me through my 2255 to me the court standed under a 2255 motion. With out the necessary documents such as my trial grand jury transcripts and the jury instruction i can not fully successsly done my 2255 in a timely manner. So i ask of you and the most Honorable Richard J. Sullivan to please grant me the extension on my 2255 please. As i have wrote the court before and have receive a legal mail back stating that in order for me to get the transcripts and need documents i have to pay a fee yes i would very much like to pay but i do not have it. The time is running out on me to file my 2255 motion i have try reaching out to Mr Arza Feldman who was my applee but he said he do not have any of my documents in my case. I have wrote him off that but he have not responded back as yet. I also wrote mis Alice L. Fontler my trial Attorney and my other trial attorney mis Stafford and i have not receive any respond back as yet. I have email also so and still know respond so i would like your help please so i can try my best to come up with the necessary fun to get all in need

fully fill my 2255. My 2255 ending date is Oct 6-2015 that just over 60 day from today and i am not able to finish it because i was not given the necessary document from my appellee lawyer and it is stop me from file my 2255 the right way. I am very much afraid i would not meet the dead line and not be able to get back in court in a mannerly way to fight my case and to me the stand of a 2255. I also would like any document with any plea that was a part of my case please and to get the complain that was made in my case please. With that said i would very much ask of you to ask my judge judge Honorable Richard J. Sullivan who was my trial judge and sentencing judge. Thank you very much for your time i will a wait your respond in this very matter please. Thank you.

Termaine Dore
